Sinko's savalry and Peters' East Tenness walry, are in Hickman county, swearing terr is wengeance on Col. Hawking, of Wineler ted scouts. He atmoked the armed negro the Northwestern read, killing thirteen and ounding a neimber. Hawkins' men ambush e command searching for him, but on and dental shot sprang the ambuch and provoked an oven fight, in which Hawkiin lost two men illed and eight prisoners. He is recruiting rap-dly and less been joined by Jack Histon. Capt. Ray, of Hawkins' scoule, and Jack hompson, the guarrilla, both Kantechians, ba a fray, in which the latter was hilled. Hawkins had three spice and Union informers tried and executed. The Yenkose in a raid after him, caught J. O. Griffith.

Lutest from Vicksburg.

Through the kindness of an esteemed friend the yesterday reached this city from Mississipp e have reliable intelligence from Vicksbu o the 3d inst. The report, which we publishe short time since, relative to the arrival of muone transperts with Yankes soldlers, is con-litied. We are informed that no troops had arrived there, execut three hand beginners from Milinkan's bend. There had been but one or or two heat arrivals per week for some time, the as, to attempt a frequent navigation of the iver above or below. The citizens had learned hat the city would be garrisoned by negro regicents the coming winter, and were apprehenng a perfect reign of terror.

The military commission appointed by Gan frant, to meet on the lat of October, or as soon sreafter as practicable, for the purpose of exrus to take the outp of allegiance to the Linin Government-had not mot, but it wa aught would do so on the 4th lest. The 'loy itizana" apprinted on this commission a

"HOWIN DH LEON TO J. P. BEEJANIN. [No. 10.] Pagin September 30, 1863.

ent J. P. Berjarin, Severary of State, Richmond. ate States, America Sin: Tour dispatch (No. 3) of 15th August last, was delivered to me by Dr. Charles Girard susiness in Ireland, from which it appears the on the 16th instant, and in conformity with the Berrowds, by the first past, and shall concience my communications by each successive steamer.

> Sines your last dispatch was written you have loubtless received my Nos. 5 and 25 and it is been previously confided to me, the strength of adopted, wenid have been greatly medified. however anchanged my private opinion might have remained.

The withdrawal of Mr. Mason from Lauden has had the good effect of reviving an interest in the Southern question and awakening the one the Tiezes, of the 25th and 27th, which is wounded were left saringer, with the papers, is shipped to a block accept and retierate Lord Ressell's views with failure, both by land and water. He has jute execution the threat he has made of violaconfederate States navy—from Caleis to his place, the sympathy of the British people for Mobile—au the general prospects of his eases, us growing stronger every day, and in the same and throws out a broad hint to the Yankon Sector ratio as their autipathy for the Yankon. To ratio as their autipathy for the Yankens. To foster and increase these favorable dispositions. I have caused various publications to be made in England on the topics of cettam, slavery, the on the Mississippi river. If they attempt to us-

proces. Some of these publications shall be sent o you by the first opportunity which processis for sending packages. After the disposal of the Records motion, the rapid increase of Federal recruitment in Ireland stirseted much attention, and I desmed it advisable to visit that country to see if anything sould be done to check it. During three weeks' racidance, elicity in Dublin, with a visit to Belast, in the north of Iroland, I succeeded in unmasking and expaning the enemy's battery, and anliated the aid of some nowarful anxillaries in the press and the pulpit to stop this ernel and and plenty to was we are in fine spirits cowardly crimying of recraits, under pretext of ampleyment on Northern railways. Many creat leader, Galhenn, your body might prove them, but many mero were entrapped by promunsqual to the burden your spirit impecas | ise of high wages; their contracts containing clause that they would take the preliminary sake of those that leve you, it is assential that les. This at once would make them subject to the draft. Another drag mon them was the sx-

> bands, as the promised wages were so high, so that the Yankees now got a good deal of dross with their good metal. The number of actual recruits thus obtained from Ireland for the past year, up is August, ure. When the harvest time is over the Yankees note will not bold. The men of intelligence who see the drain thus made of the very hone party (avorable to the Yankees is the stilly and at Montgomery," has neithful them that blank Meagher used to be one of the shining lights, step has been, or will be, aken by the British uine by the assistant treasurer at Mobile, ar
